Specified Respiratory Protection: None required or normal usage.

Ventilation Required: None required for normal usage.

Protective Gloves: None required.

Eye Protection: None required for normal usage. Keep out of eyes.

Other Protective Equipment: None

Pink Lotion

Luster Products, Inc.

**SECTION 9 – Physical/Chemical Properties**

Physical Form: Viscous Liquid  
Color/Appearance: Pink Opaque Lotion  
Specific Gravity:  $0.95 \pm 0.02$  g/cc  
Vapor Pressure (mm Hg): N/A  
Water Solubility: Water dispersible

pH: 8.0 – 9.0  
Odor: Floral Fragrance  
Viscosity at 25°C: 1,800 – 6,000cps  
Vapor Density (AIR=1): N/A  
% VOC: 0%

**SECTION 10 – Stability and Reactivity**

**Stability:** Product is stable.

**Hazardous Polymerization:** Will not occur.

**Incompatibility (materials to avoid):** None known.

**Hazardous Decomposition Products:** Carbon Dioxide, Carbon Monoxide and other oxides may be generated as products of combustion.

**Conditions to Avoid:** Protect product from extreme heat and freezing.

**SECTION 11 – Toxicological Information**

Medical Conditions Aggravated by Exposure: None known

**SECTION 12 – Ecological Information**

No data is available on the adverse effects of this material on the environment. Large quantities should not be discharged into waterways to prevent pollution of the waterways.

**SECTION 13 – Disposal Considerations**

Dispose of waste according to Federal, State and local Regulations. Empty containers can be disposed of in the trash or recycled if facilities exist. Contact a licensed waste management company for disposal of a large number of filled containers.

**SECTION 14 – Transport Information**

The following information is presented only as a guideline as shipping regulations frequently change. The shipper is responsible for checking the current regulations.

**U.S. AND INTERNATIONAL SHIPPING**

This product is not regulated.

Pink Lotion

Luster Products, Inc.

**SECTION 15 – Regulatory Information**

This product has been classified according to the hazard criteria of the CFR and the SDS contains all the information required by CFR.

**SECTION 16 – Other Information**

The above information is based on the data available to us and is believed to be correct as of the date issued. However, NO WARRANTY expressly implied or otherwise, is made to the accuracy or suitability of this information to the purchaser's intended purpose. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, we do not assume any responsibility for the results of its use. Use this product only as directed. For further information concerning product safety and use, call the number listed on the front of the SDS.
