#### Section 8: EXPOSURE CONTROL/PERSONAL PROTECTION

Ingredients with workplace control parameter: None

Personal protective equipment Eye Protection: No special protective equipment required.

Hand protection: No special protective equipment required.

Skin protection: No special protective equipment required.

Respiratory protection: No special protective equipment required

Hygiene measures: No specific measures identified

#### Section 9: PHYSICAL & CHEMICAL PROPERTIES

Appearance: Liquid, Clear & Flowable

Color: Clear

Odor: Mild odor

Flash point: not applicable, does not sustain combustion

Odor Threshold: no data available

Freezing point:

Initial boiling point and boiling range: 580 degrees Fahrenheit

pH: 6 – 8

Evaporation Rate: no data available

Flammability (solid, gas): no data available

Upper explosion limit: No data available Lower explosion limit: no data available

#### Section 10: STABILITY AND REACTIVITY

Chemical Stability: Stable  
Incompatible Materials: None Known  
Hazardous Decomposition Products: None Known  
Possibility of Hazardous Reactions: None Known

#### Section 11: TOXICOLOGICAL INFORMATION

Chemical Stability: Stable  
Incompatible Materials: None Known  
Hazardous Decomposition Products: None Known  
Possibility of Hazardous Reactions: None Known

#### Section 12: ECOLOGICAL INFORMATION

No data available

#### Section 13: DISPOSAL CONSIDERATIONS

Comply with all local, State and Federal Regulations. Non-hazardous waste.

#### Section 14: TRANSPORTATION INFORMATION

Healthy Hair & Hide contains no hazardous chemicals. No special labels requested for shipping or transportation.  
Proper shipping name: Cleaning Compound

#### Sections 15: REGULATORY INFORMATION

No data available

#### Sections 16: OTHER INFORMATION

Additional Information: The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
